

Music Courses

Group Tuition – Why learn in a group? Working together in a group has real value as the students see and hear individual progress of each other, providing group support and encouragement. The emphasis is on having fun while developing students' musical skills. It enables ensemble playing (duos, trios...) and in practical terms it keeps the cost down. Lessons will be weekly, for approximately **15 to 30 minutes**, and an appropriate tutor book may need to be purchased.

Keyboard

Students will learn on school Yamaha keyboards. Learn how to play different styles including folk, jazz, classical, rock.

Tuesday from 3.15pm through to early evening

M2

Guitar

One of the most popular instruments to learn, the guitar can amuse the young student for hours on end emulating a favourite musician! A full range of guitar styles will be taught – folk, blues, classical and rock.

Tuesday or Thursday from 3.15pm to 6.00pm

Music Studio 6

Bass Guitar

This instrument forms the basis of any band from Jazz to Rock. The student can be taught on a school instrument but they must have their own for practicing at home.

Tuesday or Thursday from 3.15pm to 4.15pm

Music Studio 6

Drum Kit

Playing a drum kit is a dream many students (and adults) have. The purchase of sticks is necessary. A drum kit is not necessary to start with.

Tuesday or Thursday from 3.15pm to 6.00pm

Percussion Studio

Please contact the Programme Coordinator for information about any other instrumental lessons not covered in this brochure and the possibility of individual lessons within this programme.

Practice

Learning a musical instrument is rewarding, but practice is an essential part of the process. Tutors will specify a minimum that is necessary if good progress is to be made. A broad guide is 20 to 30 minutes minimum daily.

Parents/caregivers are always welcome to discuss progress with the tutor and are encouraged to sit with them regularly while practicing at home. A regular time each day is good practise.

Progress

Progress will be monitored regularly by tutors. A progress report will be emailed home at the end of the year **if requested**. Tutors can always answer questions about the student's progress at any stage throughout the year.

CHS reserves the right to accept or decline enrolments.

For further information on the programme or if there is another instrument that you wish to learn that is not listed please contact Euan Quaid (Programme Co-ordinator) in the Music Department – phone 337 4713. eqe@cashmere.school.nz
