

New Zealand

As I love take pictures, here is my school report with many pictures that I've taken since the first of September. I hope you'll enjoy my work as much as I've loved doing it.

My first day in Cashmere High

During a week end we went to Tekapo and I ate for the first time a Fish & Chips, so yummy!

Chilian's welcoming, I have discovered many recipes from NZ like Pavlova, lumps,... Students of Cashmere even sang in Maori for us.

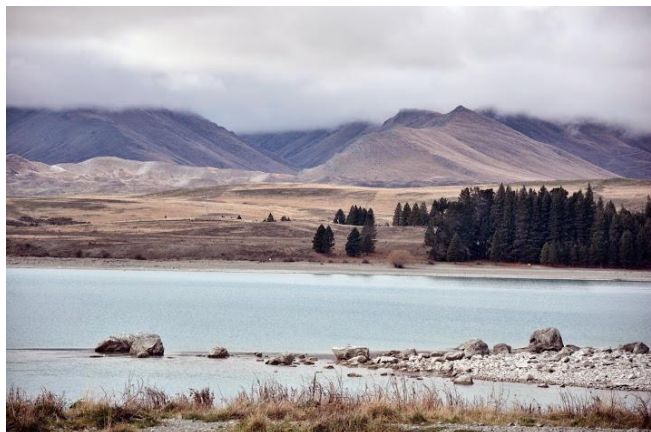

We also skied, it was amazing! Unfortunately, there wasn't enough snow, so there was just two slopes. And I didn't fall !!

This is the view that I had when I was skiing! WONDERFUL!

Landscape around Tekapo

Lake Tekapo

My first holidays in New Zealand!

KAIKOURA

We went on the sea with the boat, I walked with Anne on the beach. We tried to find Paua. And I found one, that's so beautiful.

This a view from the top of the hill.

We visited Kaikoura lavender farm and there were lambs, so

This is Anne's children:
Jasmine and Finley.

We fished for the first time of the
year a crayfish! We baked it on
the barbecue, so delicious!

I saw seals on the beach,
I love them.

Thanks to your school I've met amazing people!! I really enjoyed this stay
with you, thank you very much for all. Next step for me: Wellington!
