Minutes of the last meeting: Kirsten moved that they be accepted as a true and accurate record of the meeting held on the 28th March 2018. Joan and John seconded and all accepted.

Matters arising from the minutes:

- Joan updated us on the agenda of talks for 2018. John to host the talk on the 12th of June as Joan has another engagement.
- Talk given on the 22nd May by John? Hempseed from the Collaborative trust on 'What is happening inside the heads of young people and what does this mean for parents.' Was well received and very informative.
- Tom Fastiers funeral afternoon tea co-ordinated by Chris Payne. She did an amazing job of organising food and volunteers to assist.
- Heather to purchase a box of chocolates to say thank you to Liz Young, Anne Ogilvie and Noeline Ellis for their talk given at the beginning of the year.
- Joan tabled CPG report for year ending March 31st 2018. Kirsten to put on google docs

Correspondence report: Kirsten moved that the correspondence report is true and accurate. Joan seconded.

Treasurers report: Heather moved that the report was true and accurate. Kirsten seconded.

General Business:

- John purchased 20 brass plates for items donated by the CPG. Kirsten has them stored with the CPG folder.
- Gill raised the idea of an App and links to the CPG. Gill said she would update the photos on the website re what the PAC had spent money on including the PAC.
- Kirsten to send Gill Marks e-mail on costs for the PAC which we are assisting with. <http://www.cashmere.school.nz/our-school/cashmere-parents-group.html>
- Kirsten had a conversation with Euan Quaid(who takes care of the PAC engagements and use. He said that the equipment such as cups and saucers was a bit abysmal. Kirsten tabled it with the committee that she should email Euan to get a list(urns, platters , tea pot?) of what might be helpful and the CPG could put money towards those items instead of departmental donations this year and next.

- Kirsten purchased a large plastic box with wheels, upon Heather's recommendation, to store items belonging to the CPG. It is currently housed in the drama block.(M8)
- A possible talk for someone to give next year could be jobs for teenagers and the rights they have. Someone to look into this?
- Kirsten to contact John Parsons to see if he is in Christchurch next year to give another talk on cyber safety.
- Kirsten to collate a list of committee members cell phone numbers
- Chris to be invited to our end of the year committee meeting and we will present her with a gift for her work on the committee.

Meeting finished a 8.35 pm
